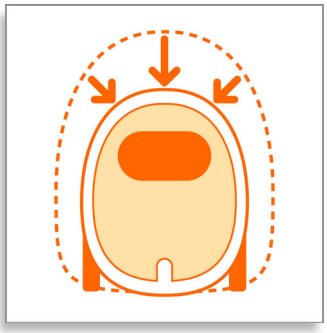
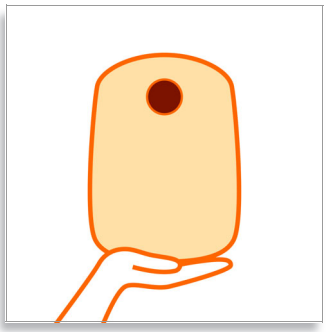
Highlights

Compact size



The compact size of this vacuum cleaner makes it easy to manoeuvre during usage and easy to store after use.

Lightweight

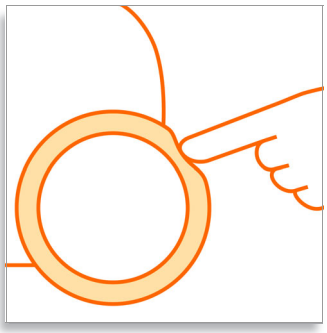


The light weight design of this vacuum cleaner makes it easy to carry.

High suction power

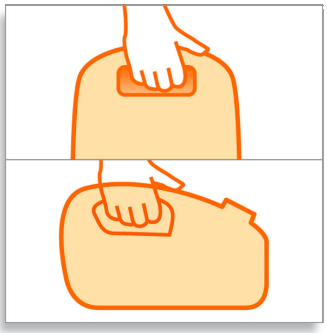
High suction power for great cleaning results

Big rubber wheels



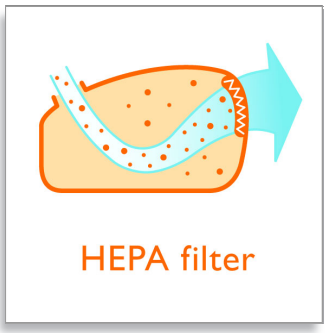
The big wheels make sure it is easy to drive over obstacles such as thresholds and because they are made with soft rubber on the outside your floors will not be damaged. These wheels guarantee easy manoeuvring.

Two carrying handles



This vacuum cleaner has one carrying handle in the front and one on the top. This makes carrying easy before, during and after use.

Clean Air HEPA filter



The High Efficiency Particulate Air filter filters fine dust from the air. This guarantees more dust is captured.
